

RMCMA representatives attend ERMCO Congress in Oslo, Norway

European Ready Mixed Concrete Organization (ERMCO) holds its Congress once in two years. The recent Congress was held in Oslo, Norway, from June 6 to 8, 2018.

RMCMA, as an Associate Member of ERMCO, was invited to attend the Congress. This time, the following persons belonging to RMCMA attended the Congress:

- Mr Ramesh Joshi, President-RMCMA
- Mr Anil Banchhor, Vice-President-RMCMA
- Mr Sanjay Mathur, CEO-RMC & Key Accounts, Ultratech Cement
- Dr K S Boon, Head HR, RDC Concrete
- Mr Vijay Kulkarni, Principal Consultant-RMCMA

The Congress having the main theme “Concrete Contribution to Changing World” started with a

Plenary Session on June 7 in which five keynote presentations were made. Later, there were simultaneous technical sessions in which 44 papers were presented. The technical papers covered the Europe-centric aspects and pertained to two main areas – concrete specifications, production, distribution and sustainability and innovations. The abstracts of technical papers are made available and can be downloaded from <http://ermco2018.no/ermco-2018-congress-program/>.

From RMCMA, a joint paper by Mr Vijay Kulkarni and Mr Ramesh Joshi on the topic “Evolution of Green Certification for RMC in India” was presented by Mr Kulkarni. Mr. Ramesh Joshi joined Mr Kulkarni later to answer certain queries raised during the discussion on the paper.

The paper can be downloaded from the link
